

Logical laws

Look at these two 'logical laws':

A person with one watch knows what time it is; a person with two watches is never sure.

In the summer, bus windows never open; in the winter, bus windows never close.

Here are eight more 'logical laws'. Work out what the missing words are, and put them into the crossword grid.

Answer to question:

In the documents which don't have (*etc.*) at the end, the lists of words are *complete*. Document A shows all the Possessive Adjectives; document C shows all the Subject Pronouns; document F shows the two forms of the Indefinite Article; document I shows all the Possessive Pronouns; document P shows the only form of the Definite Article, and document Q shows all the Object Pronouns.

In the documents which have (*etc.*) at the end, the lists of words are just *examples*. For instance, document B shows four conjunctions, but there are others.
