

# Pounds and pence

In the nine squares of this grid there are some British coins and notes.

Read each sum of money, and:  
– write it in numbers,  
– mark the correct three squares in the small grid, like the example.

Example:

Ten pounds, three pence  
£10.03p

Five pounds, eleven pence

Ten pounds, fifteen pence

Five pounds, twenty-five pence

Ten pounds, seventy pence

One pound, seven pence

One pound, sixty pence

Sixteen pounds

How much money is in *these* squares?

				
<u>£15.20p</u>	_____	_____	_____	_____
<u>Fifteen pounds,</u>	_____	_____	_____	_____
<u>twenty pence</u>	_____	_____	_____	_____

# Song Titles
