

## ASSESSMENT

## JUDGEMENT

## EVALUATION

### How do I see myself?

### How do others see me?

A lot of people have only few possibilities of getting feedback about their own person. In this exercise you will have the opportunity to get some feedback and to discuss it with a partner. While comparing your mutual judgements certain prejudices or misunderstandings may appear, as people often do not know each other thoroughly enough to judge the other person correctly. Try to be honest!

- **self assessment**

Of the following characteristics choose 8 that are particularly applicable to you personally.
