2. Now divide the words into three different categories. a) places in a city, b) parts of a city, and c) adjectives to describe a city

3. Write a paragraph about cities in your country. Include as many words from sections b) and c) from exercise 2 as you can!

4. Play the Summer in the City Game!

For this game you need a dice and game board, some friends to play with and a teacher (who has the answers and the tasks)! Every person should place a counter on the start box. Whoever rolls the highest number goes first.

### Instructions

1. Roll the dice. You can move a maximum of three spaces at a time. If you roll a 1 or 2, move 1 space; if you roll a 3 or 4 move 2 spaces; if you roll a 5 or 6 move 3 spaces.
2. For each square you must complete a task. Your teacher will give you the tasks. You must speak only in English to complete the task.
3. The first person to reach the finish box wins. Good luck!
