

The snowman

There's a snowman in my garden
Underneath the big pine tree
He wears a yellow hat
And he's looking at me! Eee!

There's a snowman in my garden
Underneath the big pine tree
He wears big green gloves
And he's looking at me! Eee!

There's a snowman in my garden
Underneath the big pine tree
He wears a big red jacket
And he's looking at me! Eee!

There's no snowman in my garden
Underneath the big pine tree
The snow has gone away
And it's my brother Billy! Tee-hee!
