**Exercise 6:** Look at the Key for Exercise 2 for the correct answers.

**Paragraph A**

This is the opposite of the meaning of the paragraph. Be careful with relying on the first sentence for the answer.

**Paragraph B**

The writer is against GM crops.

**Paragraph C**

This is just a detail in the paragraph.

**Paragraph D**

The paragraph doesn't say all.

**Paragraph E**

No. The biotech industry does not want to help the poor. It wants to make money. See Paragraph H.

**Paragraph F**

Patent-free foods are for poor countries.

**Paragraph G**

GM crops are for animals.

**Paragraph H**

Profit is the aim of biotech companies.
