Vocabulary

parrot, party, Peter, present

If this vocabulary is new to your learners, it will require pre-teaching. You may like to use onestopenglish flashcards to pre-teach these words. Alternatively, you could use magazine pictures, draw the items on the board or, where possible, use realia.

Procedure

- Start by telling the children that they are going to learn about the letter *P*.
- Say *P* (as it is said in the alphabet) and then say *p* (as it is said in *peach*). Ask the children to repeat each time.
- If you are using the flashcards, you might like to either hold up the character flashcard for Prunella Peach or stick it up on the board where the children can see it. Say the name *Prunella Peach* and ask the children to repeat.
- Play the podcast for *P* and ask the children to listen carefully.

Hand out Worksheet 2

- Ask the children to trace the lower case *p* letters. Ask them to say the letter each time they complete it. Monitor their work.
- Explain that the children are going to find the correct path through the maze so that they can get to Peter Parrot's party and give him his present. Draw their attention to the example (there is a line starting to lead through the maze). Ask the children to find the correct way through the maze.
- When the children have finished doing the activity, hold up the worksheet and point to the pictures one at a time. Each time, say the word and ask the children to repeat.
- If you think the children can do it, repeat the process by pointing to the pictures one at a time and asking the children to say the words.
- End the lesson by holding up the flashcard of Prunella Peach and saying *Prunella Peach*. Ask the children to repeat.
