

## Online quizzes—Pre-Intermediate

### Let's discuss

#### A Read the text and answer the questions.

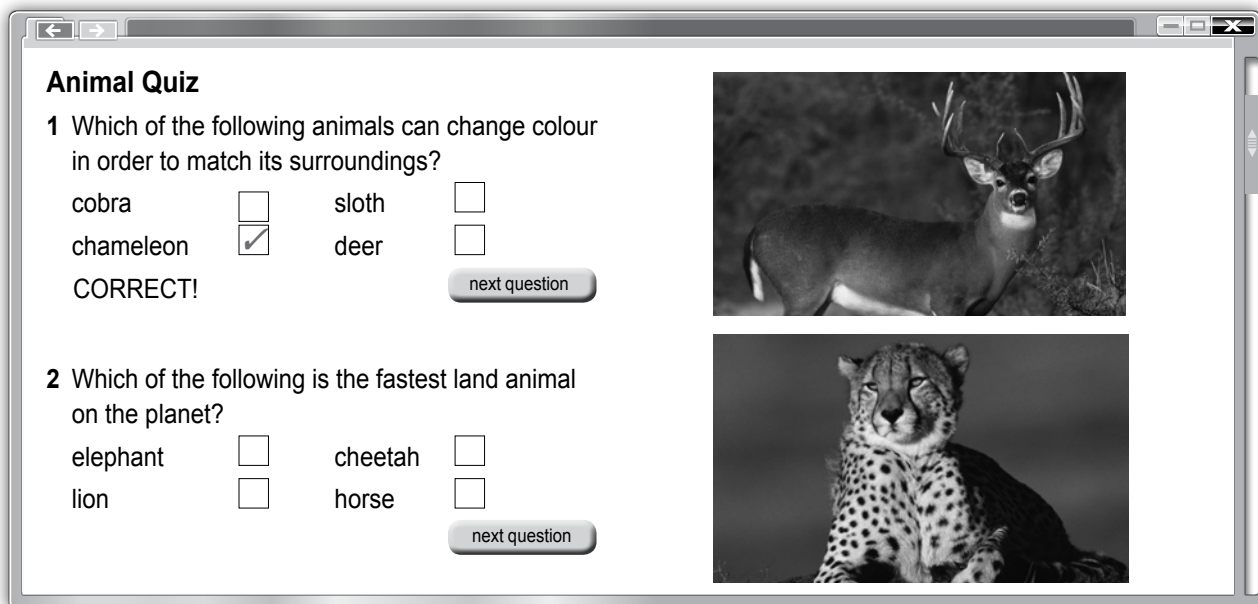

**Online quizzes** are a popular form of entertainment for everybody. They are generally free to play and for fun only, though some online quiz websites offer prizes.

There are many types of quiz that you can do online. For example, there are general knowledge quizzes and quizzes on language, history, sports, science and famous people. You can see the answers immediately and you can find out a lot of new information.

1. Have you ever done an online quiz? What was it about?
2. Did you enjoy doing it?
3. Why do you think an online quiz is more fun than a more traditional quiz? Why / Why not?

### Let's analyse

#### B Look at the example of an online quiz. Answer the questions in groups.

The screenshot shows a web browser window with a quiz titled "Animal Quiz".

**Animal Quiz**

1 Which of the following animals can change colour in order to match its surroundings?

cobra  sloth   
 chameleon  deer

CORRECT! next question

2 Which of the following is the fastest land animal on the planet?

elephant  cheetah   
 lion  horse

next question

There are two images: a deer with large antlers and a cheetah.

1. What is the title of the quiz?
2. What is the grammar point which is tested in question 2?
3. Why is it a good idea to find out if you got the correct answer immediately?
4. Do you think it would be easy to create a quiz like this? Why or why not?

## Let's do it!

**Step 1** Decide on a grammar or vocabulary area for your quiz to test your classmates.

**Step 2** Make sure you know the answers. Don't make them too difficult! You can ask different types of questions. Here are some ideas:

Multiple choice: What is the past of the verb <i>go</i> ? a) go b) went c) is going	Gap fill: We _____ lunch at two o'clock yesterday. (Answer = had)	Circle True / False: A giraffe eats grass. True / False
---	--	---

**Step 3** Go online and search for a quiz-making tool which has the type of questions you want to ask.

**Step 4** Input your questions and answers into the quiz-making tool.

**Step 5** Share the link with your teacher and classmates. Have class competitions. Use all the quizzes as revision for previous knowledge.
