

1 Read and answer the questions. What are some Valentine's Day traditions?

In many countries around the world, such as the United States, Canada, Mexico, the United Kingdom, France, and Australia, people celebrate Valentine's Day on February 14 every year.

It's a Valentine's Day tradition to give chocolates, lowers, or a card to a person you love. This person can be a friend, family member, or even classmates and teachers!

Some people send anonymous cards to people they care about. These cards say "Be my Valentine" or another special message, but do not show the name of the person who wrote the message. It's a secret.

Some people even write special poems about the people they love. People also draw pictures of hearts, flowers, or other designs that remind people of love and friendship.

Valentine's Day is a great way to show people that you care about them and that they are important to you.
