## Episode 10: An important discovery

- Kara:** Hello! Hello!
- John:** Come in. We can talk in my bedroom.
- Kara:** I need your help!
- John:** What are you talking about? What's happened?
- Kara:** I think Martin has been kidnapped. I think Howard has taken him and locked him in the basement of his house. I went there.
- John:** You went to the house on the hill?
- Kara:** I found a letter. It was addressed to Doctor Howard Ward. Howard's a doctor.
- John:** I know. Did you go into the basement?
- Kara:** You've got to come! I think Howard has taken him and locked him in the basement. There are people inside and I can't open the door and ... I promised I wouldn't leave him. Please help me.
- John:** OK, Kara. Let's go and find him.
- Kara:** What's that? On the wall?
- John:** It's a map of Treasure Island. It used to be my favourite book. I like islands. You know that.
- Kara:** And what's your favourite colour?
- John:** It's green. Why?
- Kara:** It's strange. The walls of your room are your favourite colour. The walls in my room in the main house are my favourite colour. You have a painting of your favourite book on the wall. I have my favourite painting on my wall. ... It's ... strange.
- John:** Come on! Let's go to the house on the hill.
- John:** Do you recognize the voices? Kara?
- Kara:** It's Mum! It's Mum's and Howard's voices. What are they doing in the basement?
- John:** There's a key ... somewhere ... here it is.
- Kara:** How did you know the key was there?
- John:** I'm a spy, remember? Are you sure you want to do this?
- Kara:** Yes! Unlock the door!
- Howard:** You have to be patient, Janet.
- Mum:** I can't be patient! It happened more than six months ago. I can't do this anymore!
- Kara:** What ... what is this place? Why are there so many television monitors?!
- John:** They're linked to cameras all around Owl Hall. Look. The entrance ... the courtyard ... And here ... the main house kitchen.
- Kara:** Shhh, listen.
- Mum:** You told me that everything would be alright!
- Howard:** It is alright. You heard what Kara said. She said that Martin had gone.
- Mum:** We have to find her.
- Howard:** Come with me. I know how we can find her.
- John:** We have to leave. I think they're coming here.
- Kara:** I don't understand. What's happening?
- John:** They won't find us here. There aren't any cameras in the barn.
- Kara:** But where's Martin? I thought he would be in the basement. I have to find him.
- John:** Kara, Martin's gone.
- Kara:** What do you mean?
- John:** I mean you don't have to worry about Martin anymore. You can live your own life now.
- Kara:** You don't know anything about my brother.
- John:** You're right. So tell me what happened. What really happened six months ago? Tell me and then maybe I'll understand him better. Go on. What are you waiting for, Kara?
- Kara:** OK. I'll tell you. But you must promise not to tell Mum or Howard.
- John:** I promise.
